<b>Description</b>			
Master Data of Ledger, Ledger Accounts and Ledger Categories			

#### History

##### #1 - 04/22/2026 09:07 AM - Saransh Bakoliya

Today i have worked on->

Implemented Ledger Page with tab structure (Ledger Category & Ledger) matching existing UI design.

Developed Ledger Category module with table view and form for create/update functionality.

Integrated GET API and handled response mapping to display data correctly in UI.

Worked on POST API integration, identified issues related to endpoint usage and headers.
