Web app charging issue

07/13/2026 03:09 AM - Narendra Yadav

Status:	New	Start date:	07/13/2026
Priority:	High	Due date:	
Assignee:	Kunal Jangid	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
1. The Write a Review functionality is not working in both the app and the web application			
2. The 5-minute Extend Session alert message is not displayed on the web app.			
3. Sometimes, the web application gets stuck on the Initialization screen. After the charging session is completed, the Invoice Summary is displayed.
