

Implement Global Quick Link Toggle Feature with Heart Icon to Save/Unsave Current Page

08/27/2026 12:58 AM - Shreya Agarwal

Status:	New	Start date:	08/27/2026
Priority:	Normal	Due date:	
Assignee:	Shreya Agarwal	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
Description			
A Heart icon along with a "Quick Link" button will be added to the global top navigation bar . This feature allows users to save any page as a quick link with a single click and unsave it with another click.
